WHAT IS A VIRTUAL EVENT?

vir·tu·al | /'vərCH(oo)əl/

A virtual event is an online event that involves humans interacting in a web-based environment, rather than meeting in a physical location.

Virtual events are usually multi-session online events that are broadcast via live streaming technology.

TYPES OF VIRTUAL EVENTS

- Galas
- Fundraisers
- Product Launches
- General Sessions
- Breakout Meetings
- Panel Discussions
- Educational Classes
- Seminars & Workshops
- Press Conferences
- Audience Polls | Q&A

- Recording
- Technical Direction
- Scripting, Cueing, Run of Show Coordination
- Lighting
- Audio
- Video Screens & Projection
- HD Cameras
- Teleprompter Coordination
- Backdrops, Drape, Scenic
- Staging

OUR SPECIALTY

- We specialize in taking pre-recorded and live content to your audience through a streaming format.
- We are experts at technical direction, ensuring that your content plays smoothly, has seamless transitions and delivers a well produced, professional message.
- Streaming content to an audience around the town or around the world, integrations with AWS ensures that content can reach our viewers wherever they are.
- Flexibility means that we can tailor your streamed event to incorporate all the elements you need and have it branded to your standards.
- Teamwork makes the dream work. Our team has decades of experience working with offsite vendors to help ensure that rollout is well planned and tested.

ONSITE PRODUCTION STUDIO

We can help you live-stream like a pro from our onsite production studio and sound-stage in San Francisco.

- Green Screen
- Multiple Camera Angles
- Enclosed Production Booth
- Staging
- Fully Customizable

HOME STUDIO KITS

Everyone wants to see a pretty face! Rent or purchase our at-home studio lighting kits.

- Portable
- 3000K or 6000K
- CRI 95
- Dimmable

LIVE VENUE SUPPORT

- Got Light can facilitate streaming from venues in the San Francisco Bay Area.
- Got Light can interface with vendors local to your other venues to coordinate needs and ensure that remote streams are just as high quality as local.

HOME STUDIO SUPPORT

Let's face it...your audience wants to see your face, not your chin.
Let us help you create a professional looking studio at home!

- Studio Ready Lighting
- Studio Microphone
- Laptops
- Backdrop or Green Screen
- Portable Teleprompters
- Onsite or Remote Consultation & Adjustments

SAFETY

We are nuts about safety and obsessed with sanitized equipment, even before we knew about Covid-19.

Here's how we sanitize:

- Microphones, Earpieces, and all human touch equipment pieces are sanitized with rubbing alcohol before, during, and after events.
- All Got Light staff take a “safe & sanitized” course before working in the field.
- All Got Light staff wear protective gloves and masks.

CONTACT

Give us a call to discuss how we can take your event online and craft a custom quote.
